CERTIFIED PUBLIC ACCOUNTANTS AND CONSULTANTS

Independent Auditor's Report

To the Honorable Mayor and
Members of the City Council:

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business type activities, each major fund and the aggregate remaining fund information of the City of Humboldt, Iowa, as of and for the year ended June 30, 2013, and the related notes to the financial statements, which collectively comprise the City's basic financial statements listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting described in Note 1. This includes determining the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. This includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the City's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective cash basis financial position of the governmental activities, the business type activities, each major fund and the aggregate remaining fund information of the City of Humboldt as of June 30, 2013, and the respective changes in cash basis financial position for the year then ended in accordance with the basis of accounting described in Note 1.

Basis of Accounting

As described in Note 1, these financial statements were prepared on the basis of cash receipts and disbursements, which is a basis of accounting other than U.S. generally accepted accounting principles. Our opinion is not modified with respect to this matter.

Other Matters

Supplementary and Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City of Humboldt's basic financial statements. We previously audited, in accordance with the standards referred to in the third paragraph of this report, the financial statements for the nine years ended June 30, 2012 (which are not presented herein) and expressed unqualified opinions on those financial statements which were prepared on the basis of cash receipts and disbursements. The supplementary information included in Schedules 1 through 5, including the Schedule of Expenditures of Federal Awards required by U.S. Office of Management and Budget (OMB) Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with U.S. generally accepted auditing standards. In our opinion, the supplementary information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

The other information, Management's Discussion and Analysis and the budgetary comparison information on pages 5 through 12 and 25 and 26 has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 12, 2014 on our consideration of the City of Humboldt's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City of Humboldt's internal control over financial reporting and compliance.

T.P. Anderson & Company

February 12, 2014

MANAGEMENT'S DISCUSSION AND ANALYSIS

The City of Humboldt, Iowa provides this Management's Discussion and Analysis of its financial statements. This narrative overview and analysis of the financial activities is for the fiscal year ended June 30, 2013. We encourage readers to consider this information in conjunction with the City's financial statements, which follow.

2013 FINANCIAL HIGHLIGHTS

- Receipts of the City's governmental activities increased 5%, or approximately \$330 thousand from fiscal 2012 to fiscal 2013. The increase was mainly the result of increased debt proceeds and reduced grant proceeds received during the year.
- Disbursements decreased 4%, or approximately \$300 thousand in fiscal 2013 from fiscal 2012. Disbursements declined despite continued capital project expenditures during the year. These capital projects include renovation of the city's water plant, infrastructure in a new housing subdivision, building a new water tower, and infrastructure in a new industrial park.
- The City's total cash basis net assets decreased 14%, or approximately \$879,000 from June 30, 2012 to June 30, 2013. Of this amount, the assets of the governmental activities decreased approximately \$1.1 million and the assets of the business type activities increased by approximately \$223,000.

USING THIS ANNUAL REPORT

The annual report consists of a series of financial statements and other information as follows:

Management's Discussion and Analysis introduces the basic financial statements and provides an analytical overview of the City's financial activities.

The Government-wide Financial Statement consists of a Cash Basis Statement of Activities and Net Position. This statement provides information about the activities of the City as a whole and presents an overall view of the City's finances.

The Fund Financial Statements tell how governmental services were financed in the short term as well as what remains for future spending. Fund financial statements report the City's operations in more detail than the government-wide financial statement by providing information about the most significant funds.

Notes to Financial Statements provide additional information essential to a full understanding of the data provided in the basic financial statements.

Other Information further explains and supports the financial statements with a comparison of the City's budget for the year.

Supplementary Information provides detailed information about the nonmajor governmental funds, the City's indebtedness, and the governmental funds receipts and disbursements. In addition, the Schedule of Expenditures of Federal Awards provides details of various federal programs benefiting the City.

BASIS OF ACCOUNTING

The City maintains its financial records on the basis of cash receipts and disbursements and the financial statements of the City are prepared on that basis. The cash basis of accounting does not give effect to accounts receivable, accounts payable and accrued items. Accordingly, the financial statements do not present financial position and results of operations of the funds in accordance with accounting principles generally accepted in the United States. Therefore, when reviewing the financial information and discussion within this annual report, readers should keep in mind the limitations resulting from the use of the cash basis of accounting.

REPORTING THE CITY'S FINANCIAL ACTIVITIES

Government-wide Financial Statement

One of the most important questions asked about the City's finances is, "Is the City as a whole better off or worse off as a result of the year's activities?" The Cash Basis - Statement of Activities and Net Position reports information which helps answer this question.

The Statement of Activities and Net Position presents the City's cash basis net position. Over time, increases or decreases in the City's cash basis net position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating.

The Cash Basis Statement of Activities and Net Position is divided into two kinds of activities:

- Governmental Activities include public safety, public works, culture and recreation, community and economic development, general government, debt service and capital projects. Property tax and state and federal grants finance most of these activities.
- Business Type Activities include the water, solid waste and the sanitary sewer system. These activities are financed primarily by user charges.

Fund Financial Statements

The City has two kinds of funds:

1) Governmental funds account for most of the City's basic service. These focus on how money flows into and out of those funds, and the balances at year-end that are available for spending. The governmental funds include: 1) the General Fund, 2) the Special Revenue Funds, such as Road Use Tax and Local Option Sales Tax, 3) the Debt Service Fund, 4) the Capital Projects Fund and 5) the Permanent Fund. The governmental fund financial statements provide a detailed, short-term view of the City's general government operations and the basic services it provides. Governmental fund information helps determine whether there are more or fewer financial resources that can be spent in the near future to finance the City's programs.

The required cash basis financial statement for governmental funds includes a Statement of Cash Receipts, Disbursements and Changes in Cash Balances.

2) Proprietary funds account for the City's Enterprise Funds. Enterprise Funds are used to report business type activities. The City maintains three Enterprise Funds to provide separate information for the water, solid waste, and sewer funds.

The required cash basis financial statement for proprietary funds includes a Statement of Cash Receipts, Disbursements and Changes in Cash Balances.

GOVERNMENT-WIDE FINANCIAL ANALYSIS

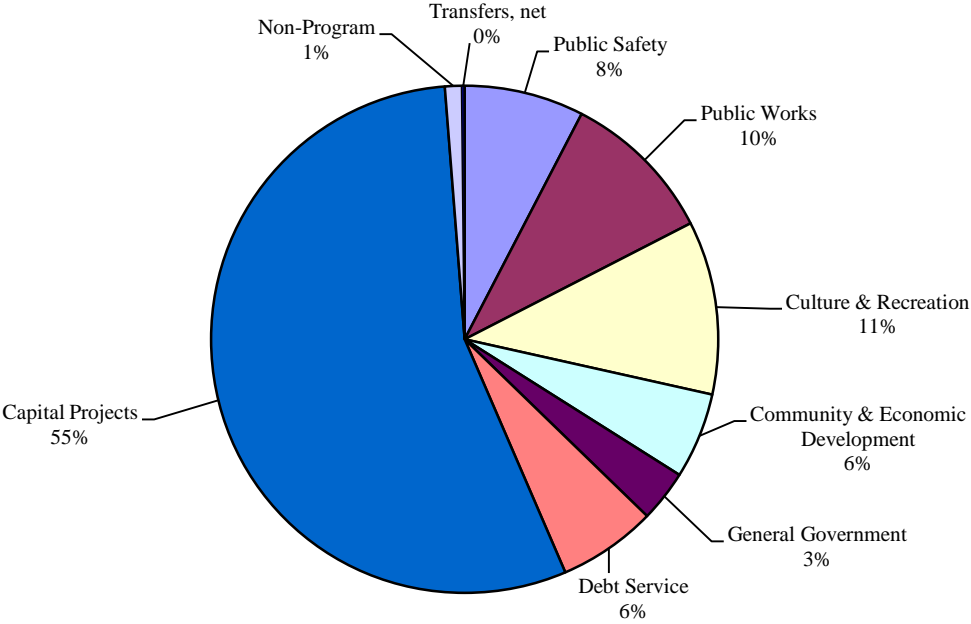

Net position may serve over time as a useful indicator of financial position. The City's cash balance for governmental activities decreased from a year ago, decreasing from \$5.24 million to \$4.14 million. The analysis that follows focuses on the changes in cash balances for governmental activities.

Changes in Cash Basis Net Position of Governmental Activities (Expressed in Thousands)		
	Year ended June 30,	
	2013	2012
Receipts and transfers:		
Program receipts:		
Charges for service	\$ 338	295
Operating grants, contributions and restricted interest	479	453
Capital grants, contributions and restricted interest	142	1,967
General receipts:		
Property tax	2,453	2,302
Tax increment financing	669	282
Local option sales tax	435	388
Unrestricted investment earnings	16	27
Bond proceeds – net of payments to refunding escrow agent	1,535	-
Other general receipts	363	382
Total receipts and transfers	6,430	6,096
Disbursements:		
Public safety	728	682
Public works	919	1,224
Culture and recreation	906	908
Community and economic development	706	1,217
General government	296	280
Debt service	614	621
Capital projects	3,356	2,900
Transfers, net	6	-
Total disbursements	7,531	7,832
Increase (decrease) in cash basis net position	(1,101)	(1,736)
Cash basis net position beginning of year	5,238	6,974
Cash basis net position end of year	\$ 4,137	5,238

Receipts by Source

Disbursements by Function

The City's total receipts for governmental activities increased by approximately \$330,000 or 5%. The total cost of all programs and services decreased by approximately \$300,000 or 4%, with no new programs added this year. The decrease in the cost of programs and services was primarily due to an decrease in public works and community and economic development expenditures in the fiscal year.

The cost of all governmental activities this year was \$7.5 million compared to \$7.8 million last year. However, as shown in the Cash Basis Statement of Activities and Net Position on page 13, the amount taxpayers ultimately financed for these activities was only \$6.6 million because some of the cost was paid by those directly benefited from the programs (\$338,000) or by other governments and organizations that subsidized certain programs with grants, contributions, and restricted interest (\$620,000). Overall, the City's governmental program receipts, including intergovernmental aid and fees for service, decreased in 2013 from approximately \$2.7 million in the prior fiscal year to approximately \$959 thousand. The City paid for the remaining "public benefit" portion of governmental activities with approximately \$3.6 million in tax (some of which could only be used for certain programs), and with other receipts, such as interest and general entitlements.

Changes in Cash Basis Net Position of Business Type Activities (Expressed in Thousands)		
	Year ended June 30,	
	2013	2012
Receipts:		
Program receipts:		
Charges for service:		
Water	\$ 1,175	1,081
Solid waste	360	369
Sewer rental	974	964
General receipts:		
Miscellaneous	7	14
Unrestricted interest on investments	4	6
Bond proceeds (net of refunded bonds)	3,081	427
Transfers, net	6	-
Total receipts	5,607	2,861
Disbursements and transfers:		
Water	4,054	1,244
Solid waste	423	468
Sewer rental	907	864
Total disbursements and transfers	5,384	2,576
Increase in cash basis net position	223	285
Cash basis net position beginning of year	1,088	803
Cash basis net position end of year	\$ 1,311	1,088

Total business type activities receipts for the fiscal year were \$5.6 million compared to \$2.9 million last year. The cash balance for the business type activities increased by approximately \$223,000 from the prior year.

Disbursements for the City's business-type activities increased 109% from the fiscal year 2012 disbursements. The increase resulted from increased capital project activities.

INDIVIDUAL MAJOR GOVERNMENTAL FUND ANALYSIS

As The City of Humboldt completed the year, its governmental funds reported a combined fund balance of \$4,136,731, which is a decrease of \$1,101,945 below last year's total of \$5,238,676. The following are brief descriptions of the reasons for the changes in fund balances of the City's major funds.

- The General Fund cash balance increased \$123,000 from the prior year to \$88,000 as planned with the budgeting process.
- The Urban Renewal Tax Increment Financing Fund decreased \$598,000. Transfers were made to and were spent on infrastructure improvements in the Northside Urban renewal area.
- The Local Option Sales Tax Fund balance increased \$235,000 as the collections made during 2013 outpaced the requirements of the fund. The results were planned during the budgeting process. The City is saving funds for the replacement of a bridge and sidewalk improvements on Sumner Avenue in 2014.
- The Library Trust Fund ended the year with a fund balance of \$543,600, a slight reduction from 2012 as a result of the normal planned operations of the fund.
- The Debt Service Fund balance increased \$178,000, in accordance with the planned results for the fund in 2013.
- The Louthan Fund balance increased by \$3,648 to \$490,834 due to planned results for the fund in 2013. This increase was all due to interest collected on the fund.
- The Capital Project Fund – Business Park fund balance increased to \$87,082 due to bond proceeds of \$1,235,000 and expenditures of \$1,136,827 on the new business park during the fiscal year 2013.
- The Capital Project Fund – Eagle Ridge Addition fund balance increased \$358,000 as progress was made on the new housing addition during fiscal year 2013.
- The Capital Project Fund – Northside Urban Renewal Area fund balance decreased \$1,479,000 as expenses were incurred for the planned improvements in the area including the 15th Street project, the Humboldt Business Park, and the construction of a new water tower.

INDIVIDUAL MAJOR BUSINESS TYPE FUND ANALYSIS

- The Water Fund, showed an increase in its cash balance of \$206,494 to an ending balance of \$524,477 due to rate increases during the prior year. Rates were increased to fund the water plant renovations and funds were saved to address potential cost overruns on the plant renovation.
- The Sewer Fund also showed an increase in its cash balance, increasing by \$79,242 to \$578,955 at June 30, 2013.

BUDGETARY HIGHLIGHTS

Over the course of the year, the City amended its budget one time. The amendment was approved on May 20, 2013 and resulted in an increase in miscellaneous revenues of \$15,000 and a increase in other financing sources of \$1,534,000. Budgeted disbursements increased overall by \$3.6 million dollars resulting largely from a

increased budget for capital projects. The City overspent the budgeted disbursements for community and economic development during the year ended June 30, 2013.

DEBT ADMINISTRATION

At June 30, 2013, the City had approximately \$15.2 million in bonds and other long-term debt, compared to approximately \$11.8 million last year, as shown below.

	Outstanding Debt at Year-End (Expressed in Thousands)	
	Year ended June 30,	
	2013	2012
General obligation bonds	\$ 8,960	8,265
Special assessment bonds and notes	31	42
Urban renewal tax increment financing bonds	755	845
Revenue notes	5,414	2,622
Total	\$ 15,160	11,774

Debt decreased due to the refunding of sewer revenue bonds and paying the GO debt as required by the City’s bond agreement.

The Constitution of the State of Iowa limits the amount of general obligation debt cities issue to 5% of the assessed value of all taxable property within the City’s corporate limits. The City’s outstanding general obligation debt of \$9,715,000 is below its constitutional debt limit of \$12,286,529.

ECONOMIC FACTORS AND NEXT YEAR’S BUDGETS AND RATES

The City of Humboldt’s total assessed valuation decreased this year, from \$240,460,139 on January 1, 2011 to \$239,780,078 on January 1, 2012, an decrease of .28%. The City’s taxable valuation decreased from \$140,581,244 in fiscal year 11-12 to \$135,681,123 in fiscal year 12-13 or 3.0%. The residential rollback increased again this year for the fourth year in a row, from 48.5299% to 50.7518%. The decrease in the taxable valuations and increase in the rollback result in the \$8.10/\$1,000 General Fund levy revenues decreasing \$39,691 from the previous year. The total Debt Service levy of \$4.85590/\$1,000 includes payments for the Aquatic Center financing, 2011 Capital Improvements bond issue, the proposed Fire Station construction bond issue as well as an extensive Infrastructure Improvement Project. With all of these factors in mind, the City proposed an increase in the total tax levy of \$0.7683/\$1,000, from \$16.13140 in fiscal year 11-12 to \$16.89973 in fiscal year 12-13.

The City has been able to maintain its total tax levy in the past by using down some fund balances. Continued additional industrial development, new housing construction and the gradual reduction in the residential tax abatements will assist the City in increasing taxable valuations in the coming years.

The fiscal year 2013 budget shows \$11,984,385 in anticipated revenues. This is a decrease of \$3,688,055 from fiscal year 2012 budgeted revenues of \$15,672,440. This decrease is largely due to fewer large projects pending. Water plant financing was received throughout FY13 and FY14, but several other projects have completed as of FY13.

Anticipated expenditures in the fiscal year 2013 budget are \$13,245,675. Budgeted expenditures in fiscal year 2012 were \$15,873,483. The decrease is \$2,627,808, and largely reflects the differences between costs of

capital projects in the respective years. The water treatment plant renovation was budgeted for FY 2011, but will be completed in FY 2013 instead.

The Council approved a wage increase for all City of Humboldt employees not covered by a union contract of 2.0%, effective July 1, 2012. Employees covered by the collective bargaining agreement with the Teamsters union negotiated a 1.5% increase.

CONTACTING THE CITY'S FINANCIAL MANAGEMENT

This financial report is designed to provide our citizens, taxpayers, customers, and creditors with a general overview of the Humboldt's finances and to show the City's accountability for the money it receives. If you have any questions about this report or need additional financial information, contact Gloria Christensen, City Clerk, 29 5th Street South, Humboldt, Iowa 50548.

CITY OF HUMBOLDT, IOWA

NOTES TO FINANCIAL STATEMENTS

(1) Summary of Significant Accounting Policies

The City of Humboldt is a political subdivision of the State of Iowa located in Humboldt County. It was first incorporated in 1869 and operates under the Home Rule provisions of the Constitution of Iowa. The City operates under the Mayor-Council form of government with the Mayor and Council Members elected on a non-partisan basis. The City provides numerous services to citizens including public safety, public works, culture and recreation, community and economic development and general government services. The City also provides water and sewer utilities and solid waste services for its citizens.

A. Reporting Entity

For financial reporting purposes, the City of Humboldt (City) has included all funds, organizations, account groups, agencies, boards, commissions and authorities. The City has also considered all potential component units for which it is financially accountable, and other organizations for which the nature and significance of their relationship with the City are such that exclusion would cause the City's financial statements to be misleading or incomplete. The Governmental Accounting Standards Board has set forth criteria to be considered in determining financial accountability. These criteria include appointing a voting majority of an organization's governing body, and (1) the ability of the City to impose its will on that organization or (2) the potential for the organization to provide specific benefits to, or impose specific financial burdens on the City. The City has no component units which meet the Governmental Accounting Standards Board criteria.

Jointly Governed Organizations

The City also participates in several jointly governed organizations that provide goods or services to the citizenry of the City but do not meet the criteria of a joint venture since there is no ongoing financial interest or responsibility by the participating governments. City officials are members of the following boards and commissions: Humboldt County Conference Board, Humboldt County Emergency Management Commission, Humboldt County Joint E911 Service Board, Law Enforcement Center Commission, The North Central Iowa Regional Solid Waste Agency, Humboldt County Landfill, and MIDAS Council of Governments.

B. Basis of Presentation

Government-wide Financial Statements – The Statement of Activities and Net Assets – Cash Basis reports information on all the nonfiduciary activities of the City. For the most part, the effect of interfund activity has been removed from this statement. Governmental activities, which are supported by tax and intergovernmental revenues, are reported separately from business type activities, which rely to a significant extent on fees and charges for services.

This Cash Basis Statement of Activities and Net Position presents the City's nonfiduciary net position. Net position is reported in the following categories/components:

Nonexpendable restricted net position is subject to externally imposed stipulations which require them to be maintained permanently by the City, including the City's Permanent Fund.

CITY OF HUMBOLDT, IOWA

NOTES TO FINANCIAL STATEMENTS

Expendable restricted net position results when constraints placed on the use of cash balances either externally imposed or imposed by law through constitutional provisions or enabling legislation.

Unrestricted net position consists of cash balances not meeting the definition of the preceding categories. Unrestricted net position often have constraints on resources imposed by management which can be removed or modified.

The Cash Basis Statement of Activities and Net Position demonstrates the degree to which the direct disbursements of a given function are offset by program receipts. Direct disbursements are those clearly identifiable with a specific function. Program receipts include 1) charges to customers or applicants who purchase, use or directly benefit from goods, services or privileges provided by a given function and 2) grants, contributions and interest on investments restricted to meeting the operational or capital requirements of a particular function. Property tax and other items not properly included among program receipts are reported instead as general receipts.

Fund Financial Statements – Separate financial statements are provided for governmental funds and proprietary funds. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements. All remaining governmental funds are aggregated and reported as nonmajor governmental funds.

The City reports the following major governmental funds:

The General Fund is the general operating fund of the City. All general tax receipts and other receipts not allocated by law or contractual agreement to some other fund are accounted for in this fund. From the fund are paid the general operating disbursements, the fixed charges and the capital improvement costs that are not paid from other funds.

Special Revenue Funds

The Urban Renewal Tax Increment Fund is used to account for tax increment financing collections and repayment of tax increment financing indebtedness.

The Local Option Sales Tax Fund is used to account for the sales tax received from the State of Iowa and the usage of those dollars.

The Library Trust Fund is used to account for proceeds collected for the municipal library.

The Debt Service Fund is utilized to account for property tax and other receipts to be used for the payment of interest and principal on the city's general long-term debt.

Capital Projects Funds:

Business Park – The fund is being used by the City to account for the infrastructure added to the new business park in town.

Eagle Ridge – The fund is being used to account for the infrastructure added to the new housing development in town.

CITY OF HUMBOLDT, IOWA

NOTES TO FINANCIAL STATEMENTS

Northside Urban Renewal – This fund is being used to account for the debt proceeds received by the City to finance additional sewer and storm sewer improvements in the City.

The City reports the following major proprietary funds:

The Water Fund accounts for the operation and maintenance of the City's water system. The Water Fund includes in its cash balance customer deposits of \$7,377 as of June 30, 2013.

The Sewer Fund accounts for operation and maintenance of the City's wastewater treatment and sanitary sewer system and includes the sinking funds which have a balance of \$27,059. It also accounts for the payment of interest and principal on the City's Sewer Revenue Refunding Capital Loan Notes and the related reserve fund which had a balance of \$219,500 at June 30, 2013. The Sewer Revenue Refunding Capital Loan Notes require a balance of \$219,500 to be held in reserve. The Sewer Fund also includes in its cash balance customer deposits of \$6,983 at June 30, 2013.

C. Measurement Focus and Basis of Accounting

The City of Humboldt maintains its financial records on the basis of cash receipts and disbursements and the financial statements of the City are prepared on that basis. The cash basis of accounting does not give effect to accounts receivable, accounts payable, and accrued items. Accordingly, the financial statements do not present financial position and results of operations of the funds in accordance with accounting principles generally accepted in the United States of America.

Under terms of grant agreements, the City funds certain programs by a combination of specific cost-reimbursement grants, categorical block grants and general receipts. Thus, when program disbursements are paid, there are both restricted and unrestricted cash basis net assets available to finance the program. It is the City's policy to first apply cost-reimbursement grant resources to such programs, followed by categorical block grants and then by general receipts.

When a disbursement in governmental funds can be paid using either restricted or unrestricted resources, the City's policy is generally to first apply the disbursement toward restricted fund balance and then to less-restrictive classifications – committed, assigned and then unassigned fund balances.

Proprietary funds distinguish operating receipts and disbursements from non-operating items. Operating receipts and disbursements generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. All receipts and disbursements not meeting this definition are reported as non-operating receipts and disbursements.

D. Governmental Cash Basis Fund Balances:

CITY OF HUMBOLDT, IOWA

NOTES TO FINANCIAL STATEMENTS

In the governmental fund financial statements, cash basis fund balances are classified as follows:

Nonspendable – Amounts which cannot be spent because they are legally or contractually required to be maintained intact.

Restricted – Amounts restricted to specific purposes when constraints placed on the use of the resources are either externally imposed by creditors, grantors, or state or federal laws or imposed by law through constitutional provisions or enabling legislation.

Unassigned – All amounts not included in other spendable classifications.

E. Budgets and Budgetary Accounting

The budgetary comparison and related disclosures are reported as Other Information. The City exceeded the budgeted disbursements in the community and economic development function for the year ended June 30, 2013.

(2) **Cash and Investments**

The City's deposits at June 30, 2013 (which include certificates of deposit totaling \$1,624,017) were entirely covered by federal depository insurance, or by the State Sinking Fund in accordance with Chapter 12C of the Code of Iowa. This chapter provides for additional assessments against the depositories to ensure there will be no loss of public funds.

The City is authorized by statute to invest public funds in obligations of the United States government, its agencies and instrumentalities; certificates of deposit or other evidences of deposit at federally insured depository institutions approved by the City Council; prime eligible bankers acceptances; certain high rated commercial paper; perfected repurchase agreements; certain registered open-end management investment companies; and certain joint investment trusts and warrants or improvement certificates of a drainage district.

The City had investments in the Iowa Public Agency Investment Trust which are valued at an amortized cost of \$21,691 pursuant to Rule-2a under the Investment Company Act of 1940. The investment in the Iowa Public Agency Investment Trust is unrated.

Interest Rate Risk

The City's investment policy limits investment of operating funds (fund expected to be expended in the current budget year or within 15 months of receipt) in instruments that mature within 397 days. Funds not identified as operating funds may be invested in investments with maturities longer than 397 days but the maturities shall be consistent with the needs and use of the City.

Interest received on cash balances of the City of Humboldt amounted to \$34,837 for the year ended June 30, 2013. These receipts are included under Use of Money and Property for Governmental Funds and Interest on Investments for proprietary activities.

The City maintains two bank accounts in conjunction with the implementation of the City's revolving loan program. These accounts are restricted for use in the city's revolving loan program and are included as part

CITY OF HUMBOLDT, IOWA

NOTES TO FINANCIAL STATEMENTS

of the Urban Renewal Tax Increment Special Revenue Fund Balance on Exhibit B. The accounts had balances of \$68,610 and \$48,976 at June 30, 2013.

(3) Bonds and Notes Payable

Annual debt service requirements to maturity for general obligation, urban renewal tax increment financing revenue bonds, revenue notes and other long-term debt are as follows:

Year Ending	General Obligation		Urban Renewal Tax Increment (TIF) Revenue Bonds		Revenue Notes		Other Long-Term Debt		Total

Urban Renewal Tax Increment Financing Revenue Bonds

The City issued \$1,080,000 of urban renewal tax increment financing revenue bonds in April 2007 for the purpose of defraying a portion of the costs of various construction and refurbishing projects within the urban renewal district. The bonds are payable solely from the TIF receipts generated by increased property values in the City's TIF district and credited to the Special Revenue, Urban Renewal Tax Increment Fund in accordance with Chapter 403.19 of the Code of Iowa. TIF receipts are generally projected to produce 100 percent of the debt service requirements over the life of the bonds. The proceeds of the urban renewal tax increment financing revenue bonds shall be expended only for purposes which are consistent with the plans of the City's urban renewal area. The bonds are not a general obligation of the City. However, the debt is subject to the constitutional debt limitation of the City. Total principal and interest remaining on the bonds is \$888,185, payable through June 2020. For the current year, interest paid and total TIF receipts were \$35,365 and \$669,180, respectively.

Revenue Notes

The City has pledged future water customer receipts, net of specified operating disbursements, to repay \$3,508,810 of water revenue planning notes issued in 2013. Proceeds from the notes provided financing

CITY OF HUMBOLDT, IOWA

NOTES TO FINANCIAL STATEMENTS

for the planning of water treatment plant improvements. The notes are payable solely from water customer net receipts and are payable in 2013. The total principal and interest remaining to be paid on the notes is \$3,508,810. For the current year, principal and interest paid and total customer net receipts were \$14,376 and \$376,269, respectively.

The City has pledged future sewer customer receipts, net of specified operating disbursements, to repay sewer revenue refunding notes issued in April 2012. The notes are payable solely from sewer customer net receipts and are payable through 2020. The total principal and interest remaining to be paid on the notes is \$2,018,198. For the current year, principal and interest paid and total customer net receipts were \$320,949 and \$541,333, respectively.

The resolutions providing for the issuance of the revenue bonds include the following provisions:

- (a) The notes will only be redeemed from the future earnings of the enterprise activity and the note holders hold a lien on the future earnings of the funds.
- (b) Sufficient monthly transfers shall be made to a separate sinking fund for the purpose of making the note principal and interest payments when due.
- (c) Additional monthly transfers of 25% of the monthly sinking fund deposit to sewer revenue reserve fund shall be made until the maximum principal and interest due in any year under the loan has been accumulated, approximately \$219,500. This fund is restricted for the purpose of paying for any additional improvements, extensions or repairs to the system. The minimum required balance had been accumulated at June 30, 2013.
- (d) Sufficient rates are to be charged to generate Net Revenues adequate to pay the principal and interest on the bonds and to create/maintain the reserves required by the bonds. The Net Revenues are also to be equal to or greater than 110 percent of the principal and interest requirements of the succeeding fiscal year.

A summary of changes in long-term debt for the year ended June 30, 2013 is as follows:

	General Obligation Bonds	Tax Increment Revenue Bonds	Revenue Bonds	Special Assessment Notes	Total
Balance, beginning of year	\$ 8,265,000	845,000	2,622,143	41,789	11,773,932
Additions	1,535,000	0	3,508,810	-	5,043,810
Deletions	840,000	90,000	717,143	10,941	1,658,084
Balance, end of year	<u>\$ 8,960,000</u>	<u>755,000</u>	<u>5,413,810</u>	<u>30,848</u>	<u>15,159,658</u>

Interest rates on the general obligation bonds range from 0.60-5.85%. Interest rates on the TIF revenue bonds are 3.90%. Interest rates on the revenue bonds range from 0-2.1% and interest rates on the Special Assessment debt range from 5.00-6.00%.

(4) Pension and Retirement Benefits

The City contributes to the Iowa Public Employees Retirement System (IPERS) which is a cost-sharing multiple-employer defined benefit pension plan administered by the State of Iowa. IPERS provides retirement and death benefits, which are established by State statute to plan members and beneficiaries. IPERS issues a publicly available financial report that includes financial statements and required supplementary information. The report may be obtained by writing to IPERS, P. O. Box 9117, Des Moines, Iowa 50306-9117.

CITY OF HUMBOLDT, IOWA

NOTES TO FINANCIAL STATEMENTS

Most plan members are required to contribute 5.78% of their annual covered salary and the City is required to contribute 8.67% of covered payroll. Certain employees in special risk occupations and the City contribute an actuarially determined contribution rate. Contribution requirements are established by state statute. The City's contribution to IPERS for the years ended June 30, 2013, 2012, and 2011 were \$104,219, \$90,879, and \$82,451, respectively, equal to the required contributions for each year.

(5) Other Post Employment Benefits (OPEB)

Plan Description – The City operates a single employer retiree benefit plan which provides medical benefits for retirees and their spouses. There are 27 active and no inactive members in the plan. Participants must be 55 or older at retirement.

The medical benefits are provided through a fully insured plan with Wellmark. Retirees under age 65 pay the same premiums for medical benefits as active members.

Funding Policy – the contribution requirements of plan members are established and may be amended by the City. The City currently finances the retiree benefit plan on a pay-as-you-go basis. The most recent active member monthly premiums for the City and plan members are \$393 for single coverage and \$871 for family coverage. The same monthly premiums apply to retirees. For the year ended June 30, 2013, the City contributed \$157,578 and plan members contributed \$34,500 to the plan.

(6) Compensated Absences

City employees accumulate vacation and sick leave hours for subsequent use. Earned vacation is paid when used or when employment is terminated. Personal hours are not paid upon termination of employment. Sick leave is paid when used or upon retirement up to 15 days given that an employee has been a regular full time or regular part time employee of the City of Humboldt for at least 10 consecutive years immediately prior to retirement. Employees may convert up to twenty-four hours of sick leave to eight hours of vacation for every six months, January to June and July to December in which no sick leave is utilized. This conversion of sick leave to vacation shall not be allowed if it results in the employee's cumulative total of sick leave to be less than eighty hours. These accumulations are not recognized as expenditures by the City until they are paid. The City's approximate maximum liability for unrecognized accrued employee benefits, primarily relating to the General Fund, is as follows:

<u>Type of Benefit</u>	<u>Amount at June 30, 2013</u>
Sick pay and personal days	\$ 255,269
Vacation pay	46,265
Total	<u>\$ 301,534</u>

The liability has been computed based on rates of pay in effect at June 30, 2013.

(7) Interfund Transfers

The detail of interfund transfers, for the year ended June 30, 2013 is as follows:

CITY OF HUMBOLDT, IOWA

NOTES TO FINANCIAL STATEMENTS

<u>Transfer In</u>	<u>Transfer From</u>	<u>Amount</u>
General	Special Revenue Fund-Community Projects	\$ <u>24,209</u>
Capital Project Fund Infrastructure	Capital Project Fund-Streets	\$ <u>90,739</u>
Special Revenue Fund TIF	Capital Project Fund-Business Park	\$ 11,091
	Capital Project Fund-Eagle Ridge	<u>8,988</u>
		<u>20,079</u>
Special Revenue Fund Community Projects	General Fund	\$ <u>2,000</u>
Special Revenue Fund Road Use Tax	Special Revenue Fund-LOST	\$ <u>200,000</u>
Capital Project Fund Business Park	Special Revenue Fund-TIF	\$ 735,000
	Capital Project Fund-Northside Urban Renewal	<u>500,000</u>
		<u>\$ 1,235,000</u>
Proprietary Fund Sewer	Special Revenue Fund-Road Use Tax	\$ <u>6,000</u>
Capital Project Fund Fire	General Fund	\$ <u>71,972</u>

All transfers were made with prior approval of the City Council and generally move resources from the fund statutorily required to collect the resource to the fund statutorily required to disburse the resources.

(8) Risk Management

The City of Humboldt is exposed to various risks of loss related to torts; theft, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. These risks are covered by the purchase of commercial insurance. Settled claims from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years. The City of Humboldt also self-insures a portion of its employees' health insurance. The City uses a third party administrator to determine appropriate claims. At June 30, 2013, there were no unpaid claims due.

(9) Deficit Fund Balance

The Economic Development Office Fund and Drainage District Fund had deficit fund balances of \$5,016, and \$179,457 respectively at June 30, 2013. The deficit balances were a result of project costs and debt obligations being paid prior to the collection of the related receipts.

(10) Property Taxes

Property taxes are recognized as income when received in accordance with the cash basis of accounting. The property tax calendar is as follows for the City of Humboldt. Property taxes become liens on property

CITY OF HUMBOLDT, IOWA

NOTES TO FINANCIAL STATEMENTS

as of July 1, 2012 and are payable in September 2012 and March 2013. The valuation for the taxes were based on January 1, 2011 assessed property valuations, and are based on a certified budget from March of 2012.

(11) Contracts

The City (prior to December 31, 1995) contracted with the Humboldt County Landfill Commission for landfill use for solid waste disposal for residences and businesses within the City. Effective December 31, 1995 the City withdrew from the Humboldt County Landfill. The City will continue to be liable for their share of post-closure costs that amounted to \$5,358 for the year ended June 30, 2013. The City will have an estimated annual liability of approximately \$5,000 for the post-closure costs which will last for approximately 25 years.

Due to the withdrawal from Humboldt County Landfill, the City has entered into an agreement with the North Central Solid Waste Agency for solid waste disposal. Total payments by the City under this agreement for the year ended June 30, 2013 were \$42,823.

The City has also contracted the Humboldt County Public Safety Commission for use of the law enforcement center building. For the year ended June 30, 2013, the City paid \$111,423 pursuant to this agreement.

The City has also contracted with a private contractor for the operation and maintenance of the municipal sewer plant and municipal waterworks. Payments under these contracts totaled \$181,418 and \$427,834 respectively for the year ended June 30, 2013.

(12) Contingent Liability

In connection with the construction of the Family Aquatic Center, the City guaranteed by pledging the full faith and credit of the City, a note payable by the Friends of the Parks, a legally separate charitable organization. The Friends of the Parks is governed by a five member board of directors and its proceeds are used to benefit the City of Humboldt's park system and aquatic center. At June 30, 2013, the Friends of the Parks owed \$66,396 on the note. During the year ended June 30, 2013 the City paid approximately \$20,313 in principal and \$3,686 in interest respectively under this agreement.

(13) Subsequent Events

In preparing the financial statements, the City has evaluated events and transactions for potential recognition or disclosure through February 12, 2014, the date the financial statements were issued.

CITY OF HUMBOLDT, IOWA

NOTES TO OTHER INFORMATION – BUDGETARY REPORTING

June 30, 2013

The budgetary comparison is presented in accordance with Governmental Accounting Standards Board Statement No.41 for governments with significant budgetary perspective differences resulting from not being able to present budgetary comparisons for the General Fund, each major Special Revenue Fund and each major Capital Project Fund.

In accordance with the Code of Iowa, the City Council annually adopts a budget on the cash basis following required public notice and hearing for all funds except Internal Service Funds and Fiduciary Funds. The annual budget may be amended during the year utilizing similar statutorily prescribed procedures.

Formal and legal budgetary control is based upon nine major classes of disbursements known as functions, not by fund or fund type. These nine functions are: public safety, public works, health and social services, culture and recreation, community and economic development, general government, debt service, capital projects, and business type activities. Function disbursements required to be budgeted include disbursements for the General Fund, Special Revenue Funds, Debt Service Fund, Capital Projects Funds and Proprietary Funds. Although the budget document presents function disbursements by fund, the legal level of control is at the aggregated function level, not by fund. During the year, one budget amendment increased budgeted receipts and budgeted disbursements respectively by \$1,549,015 and \$3,599,500. The budget amendment is reflected in the final budgeted amounts.

During the year ended June 30, 2013, the City exceeded the budgeted disbursements in the community and economic development function.

Total			\$ 3,176,775

Basis of Presentation - the Schedule of Expenditures of Federal Awards includes the federal grant activity of the City of Humboldt, Iowa and is presented in conformity with an other comprehensive basis of accounting. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

See accompanying independent auditor's report.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the City Council
City of Humboldt

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Humboldt, Iowa, as of and for the year ended June 30, 2013, and the related notes to the financial statements, which collectively comprise the City of Humboldt, Iowa's basic financial statements and have issued our report thereon dated February 12, 2014.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City of Humboldt, Iowa's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City of Humboldt, Iowa's internal control. Accordingly, we do not express an opinion on the effectiveness of City of Humboldt, Iowa's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as described in the accompanying schedule of findings and questioned costs, we identified certain deficiencies in internal control that we consider to be material weaknesses and significant deficiencies.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the deficiency, II-A-13, described in the accompanying schedule of findings and questioned costs to be material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City of Humboldt, Iowa's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*. However, we noted certain immaterial instances of non-compliance or other matters that are described in Part IV of the accompanying Schedule of Findings and Questioned Cost.

The City of Humboldt, Iowa's Response to Findings

The City of Humboldt, Iowa's response to the findings identified in our audit is described in the accompanying schedule of findings and questioned costs. The City of Humboldt, Iowa's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

T.P. Anderson & Company

February 12, 2014

T.P. ANDERSON & COMPANY, P.C.
CERTIFIED PUBLIC ACCOUNTANTS AND CONSULTANTS

Independent Auditor's Report on Compliance
for Each Major Federal Program, on Internal Control over Compliance
and on the Schedule of Expenditures of Federal Awards
Required by OMB Circular A-133

To the Honorable Mayor and
Members of the City Council:

Report on Compliance for Each Major Federal Program

We have audited the City of Humboldt, Iowa's compliance with the types of compliance requirements described in U.S. Office of Management and Budget (OMB) Circular A-133 *Compliance Supplement* that could have a direct and material effect on the City of Humboldt's major federal program for the year ended June 30, 2013. City of Humboldt's major federal program is identified in Part I of the accompanying Schedule of Findings and Questioned Costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts and grant agreements applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for City of Humboldt's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with U.S. generally accepted auditing standards, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the City of Humboldt's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of the City of Humboldt's compliance.

Opinion on Each Major Federal Program

In our opinion, the City of Humboldt complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2013.

Report on Internal Control Over Compliance

The management of the City of Humboldt is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the City of Humboldt's internal control over compliance with the types of requirements that could have a direct and material effect on the major federal program to determine the auditing procedures appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City of Humboldt's internal control over compliance.

Our consideration of internal control over compliance was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify a deficiencies in internal control over compliance that we consider to be a material weaknesses, as defined above.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance such that there is a reasonable possibility material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected and corrected on a timely basis. The City of Humboldt's response to the internal control over compliance finding identified in our audit is reported in the accompanying Schedule of Findings and Questioned Costs. The City of Humboldt's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Purpose of this Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

T.P. Anderson & Company

February 12, 2014

City of Humboldt

Summary Schedule of Prior Audit Findings

Year Ended June 30, 2013

The finding listed as I-A-12 in the prior year noted that there was a segregation of duties internal control deficiency which remains an issue see II-A-13 for June 30, 2013.

City of Humboldt, Iowa

Schedule of Findings and Questioned Costs

Year Ended June 30, 2013

Part I: Summary of the Independent Auditor's Results

- (a) Unmodified opinions were issued on the financial statements which were prepared on the basis of cash receipts and disbursements, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.
- (b) A material weakness in internal control over financial reporting was disclosed by the audit of the financial statements.
- (c) The audit did not disclose any noncompliance which is material to the financial statements.
- (d) An unmodified opinion was issued on compliance with requirements applicable to the major program.
- (e) The major programs for the Fiscal Year ended June 30, 2013 were CFDA# 66.468, Iowa State Revolving Loan Fund – Capitalization grant for drinking water, Water Revenue Bonds - SRF.
- (f) The dollar threshold used to distinguish between Type A and Type B programs was \$300,000.
- (g) The City of Humboldt, Iowa did not qualify as a low-risk audit.

Schedule of Findings and Questioned Costs

Year Ended June 30, 2013

Part II: Findings Related to the Financial Statements

II-A-13 Segregation of Duties - We noted that the cash receipt function and the recording of the cash receipts is on occasion handled by the same person.

Criteria - An important aspect of internal control is the segregation of duties among employees to prevent an individual employee from handling duties which are incompatible.

Cause – there is a limited staff size that makes having an appropriate segregation of duties difficult for the City.

Effect – The City’s internal control system is not as strong as it could be with a proper segregation of duties.

Recommendation – The City should review its operating procedures to obtain the maximum internal control possible under the circumstances.

Response - We believe that we are close to the maximum degree of segregation of duties possible with the limited number of office employees. We will investigate additional procedures to cost effectively improve internal control.

Conclusion - The City should segregate duties to the extent possible with existing personnel and utilize administrative personnel to provide additional control through review of financial transactions and reports.

INSTANCES OF NON-COMPLIANCE:

No matters were noted.

Schedule of Findings and Questioned Costs

Year Ended June 30, 2013

Part III: Findings for Federal Awards:

INSTANCES OF NON-COMPLIANCE

CFDA Number 66.468: Iowa State Revolving Loan Fund – Capitalization grant for drinking water, Water Revenue Bonds - SRF
Federal Award Year: 2013

None were noted.

INTERNAL CONTROL DEFICIENCIES:

CFDA Number 66.468: Iowa State Revolving Loan Fund – Capitalization grant for drinking water, Water Revenue Bonds - SRF
Federal Award Year: 2013

None were noted.

Schedule of Findings and Questioned Costs

Year Ended June 30, 2013

Part IV: Other Findings Related to Required Statutory Reporting:

IV-A-13 Certified Budget – The City exceeded the budgeted disbursement limit in the community and economic development function.

Criteria – Chapter 384.20 of the Code of Iowa states, in part, “Public Monies may not be expended or encumbered except under an annual or continuing appropriation.”

Cause – Fees incurred in issuing debt for the City were not contemplated when setting the budget for the debt service function.

Effect – The City did not comply with the Iowa Code, Chapter 384.20 for the year ended June 30, 2013.

Recommendation – The budget should be amended in accordance with the Code of Iowa, if needed, in the future.

Response – We will amend our budget in the future if needed.

Conclusion – Response accepted.

IV-B-13 Questionable Disbursement - We noted no questionable disbursements in regard to the requirements of public purpose as defined in an Attorney General's opinion dated April 25, 1979.

IV-C-13 Travel Expense - No disbursements of City money for travel expense of spouses of City officials or employees were noted.

IV-D-13 Business Transactions – Business transactions between the City and City officials or employees are detailed as follows:

Name, Title and Business Connection	Transaction Description	Amount
Walter Jensen, Mayor/Owner of Jensen Enterprises Ltd.	Sanitation Equipment	\$ 13,714

Criteria - Chapter 362.5(10) of the Code of Iowa prohibits any city officer or employee from having a contract or job of work with the City. Exceptions are made to this regulation if the total annual purchase is less than \$1,500, or if the work was contracted under a competitive bid. The transactions with Mayor Jensen do not appear to be in violation of the Iowa Code as bids were received for a Recycling truck dump for \$13,500 and the remainder of \$214 is covered under either of the aforementioned exceptions.

IV-E-13 Bond Coverage – Surety bond coverage of City officials and employees is in accordance with statutory provisions. The amount of coverage should be reviewed annually to insure that the coverage is adequate for current operations.

City of Humboldt, Iowa

Schedule of Findings and Questioned Costs

Year Ended June 30, 2013

- IV-F-13 Council Minutes - No transactions were found that we believe should have been approved in the Council minutes but were not.
- IV-G-13 Deposits and Investments - We noted no instances of noncompliance with the deposit and investment provisions of Chapter 12B and 12C of the Code of Iowa and the City's investment policy.
- IV-H-13 Revenue Bonds and Notes – The city has complied with all revenue bond and note resolutions.
- IV-I-13 Financial Position – The Economic Development Office Fund and 13A Drainage District Fund, had deficit fund balances of \$5,016 and \$179,457 respectively at June 30, 2013.

Criteria – A cash basis fund should have a positive balance in order to be considered to be in a strong financial condition.

Cause – The timing of receipts causes the funds from time to time to have deficit balances.

Effect – The funds mentioned are not in a sound financial position.

Recommendation – The City should investigate alternatives to eliminate these deficits in order to return these funds to a sound financial position.

Response – The deficits will be eliminated when expected receipts are received.

Conclusion – Response accepted.
