Are you curious about where your taxes and utility payments go?

July marks the beginning of the new fiscal year for the city and this chart shows the percentages for the expenditures for the city over the next year.

Check out the city's website at www.CityofHumboldt.org, the city's YouTube page or the city Facebook page for up to the minute information on the community.

Did you know

you can download music, check out ebooks and get free magazines all without leaving your home? Check out the library's new website at www.humboldtpubliclibrary.com for all the great offerings from the Humboldt Public Library!

Are you interested in serving on a board or commission?

The city has several vacancies and is always looking for community leaders to serve on various boards for the city. Please contact Aaron at 332-3435 for more information.
