8500	\$68.40	\$59.68	Large Family
9500	\$75.50	\$66.11	Large Family

*Water usage is completely dependent on each household tendencies and this table is only guess based on family size. If you have bills that are outside your normal usage a leak is likely and we suggest checking toilets, faucets, and outside hose bibs. If these appear to be fine please contact City Hall and we can have PeopleService check for no charge.
